

McGowan Park Elementary MAGIC MONTHLY

May 2026

PRINCIPAL'S REPORT

Spring is here, and May is already shaping up to be a busy and exciting month at McGowan. With only a couple of months left in the school year, students are enjoying many opportunities to learn, explore, and celebrate their growth. This month includes special events, field trips, outdoor learning, athletics, and celebrations of student creativity and achievement. These experiences help bring learning to life and create lasting memories for our students. Thank you to our families for your continued support and partnership. Your involvement helps make McGowan a caring, active, and welcoming school community where students can learn, grow, and shine.

As we approach the end of the school year, we also recognize that this is a time of transition. We will soon be saying goodbye to some of our students and staff, while also preparing to welcome new faces into the McGowan community. Change can sometimes feel uncertain, especially when it involves the unknown, but it also brings new opportunities, growth, and fresh beginnings. We look forward embracing the energy and possibilities that the changes will bring to our school.

BATTLE OF THE BOOKS:

Congratulations to our three teams who participated in the Battle of the Book competition this year!

Grade 3/4: Jackson Brunt, Makena Kahianyu, Finnley Smith (Zones)

Grade 5: Mia Kabelik, Melinda Yen, Annabel Chijioke (Zones)

Grade 6/7: Cai McLean, Ellie Bingham, Alice Ruberg (Zones & Districts)

These dedicated students have shown exceptional commitment, teamwork, and a love for reading throughout their journey. They represented our school well and made us very proud. A special shout out to our grade 6/7 team who came in second place at the Districts!

CRIMINAL RECORD CHECKS

As classes begin planning field trips, just a reminder that ALL PARENTS/GRANDPARENTS/ADULTS that are going on ANY trip with your child's class, are driving as volunteers or are coming to support with class special events *must* have a CRIMINAL RECORD CHECK. This is of no cost to the adult and is site specific for our school. Most CRC's last three years and remain on file in the office. A reminder, no siblings can attend our field trips. Please contact the office if you are unsure if your Criminal Record Check has expired. We can easily check this for you.

PARENT DRIVERS - please be aware that if you are driving someone else's child in your car, permission slips only give permission for a parent to drive their child to and from the location. Parents do not have legal permission to stop at fast food restaurants, corner stores, etc. for treats. Thank you for understanding this legality. We need to ensure our students are safe and are required to know where they are at all times.

STUDENT TRANSFERS FOR 2026/2027

If you are planning on moving your child for the Fall of 2026, please let the McGowan office know ASAP so that we can make the appropriate arrangements for the student's file. Requests for student transfers that will commence in September will be accepted starting now and ending at 12:00 noon on September 8th, 2026. All submissions must be made in writing and forwarded to the receiving school's principal. All decisions regarding student transfers will be in accordance with AP 305 School Boundaries and Student Transfer Requests.

MAY is MENTAL HEALTH MONTH

"Mental health is wealth", especially during Mental Health Awareness Month, which is celebrated in May. The stigma around mental health and treatment has long existed.

Although this has started to change, people still hesitate to seek help or even talk about it with their loved ones for fear of being judged and facing unnecessary backlash. The theme of Mental Health Awareness Week 2026 is 'action'.

The theme emphasizes moving beyond awareness to taking concrete steps for better mental health at individual, organizational, and societal levels.

GAUSS MATH CONTEST

On May 12th the following McGowan students will represent our school at the Gauss Math Test! **Congratulations to Adalee Royce, Kassandra Blais, Zoe Valera and Cate Lester.** The Gauss Contests introduces students in Grades 7 and 8 to a broader perspective of mathematics in a fun, accessible way. Intriguing problems and a multiple-choice format make the Gauss Contests a wonderful opportunity for all students in these grades to grow their interest in and get curious about the power of math. We are so proud of our students who love mathematics.

GAUSS

McGowan Swim Club

Wednesday, April 15th, McGowan students participated in the annual SD73 Swim Meet at the Canada Games Pool. Special thanks Mrs. Dagg-Hall and Mr. Tomalty for sponsoring our students. Congratulations goes out to Mackenzie Roos for bringing a bronze medal home.

Parloff Season

This season, our Grade 4–7 students took on the exciting challenge of the Parloff relay. They practiced important skills like baton passing, pacing, and—most importantly—teamwork. Their hard work paid off at two events, one at TCC and the other at Dallas Elementary, where they proudly represented McGowan. We're thrilled to share that their efforts earned them some well-deserved ribbons. Special thanks to Ms. Kossey for organizing everyone behind the scenes!! Thank you for cheering them on!

Flag Football

Season is upon us!!
Games are Wednesdays!
Special thanks Mrs. Straker
and Mr. Blower for
coaching our grade 6/7s.
Please reach
out to them for more
information.

**Congrats
to all of
our Parloff
runners!**

PARENT INPUT FOR STUDENT PLACEMENTS FOR 2026-2027

Each May and June teaching staff meet to organize classes with considerations given to learning needs, teaching styles, social dynamics, academic groupings, class size limits, gender balance, and where possible, parental requests. Tentative class lists are made through staff conversations first before parental requests are looked at. For those families who have significant concerns about their child's educational placement, you must **email the school principal** (alatta@sd73.bc.ca) by **Friday, May 15th at NOON** indicating the educational reasons for your request. While this gives parents/guardians a chance to advocate for their child and their educational needs, it by no means guarantees that your request will be honoured so please keep this in mind. Ultimately, the SCHOOL ACT, gives the principal the final say on any child's placement in their school.

TICK SEASON ALERT

We have found ticks on our students from the grass. Please remind your child to be tick aware, it is that time of year!

Please refer to the link for more information. We have had children in the office with ticks already. Please check your children regularly.

Pangea Arts -The Trollsons

On April 24th McGowan welcomed Pangea Arts to our school and we all enjoyed their presentation of "The Trollsons." The Trollsons are a magical and comedic family of Trolls from the Canadian forest. The Trollsons have been entertaining at festivals and special events around Canada since 1995, as well as touring to Singapore, China, and Japan. This time, students were welcomed deep into the forests of Scandinavia as four masked characters and a musician brought to life the folklore of trolls. It was Grandpa Trollson's 200th birthday party, but he refused to come out of his tree stump to celebrate! With the help of some audience participants onstage, Grandpa could not resist the power of storytelling.

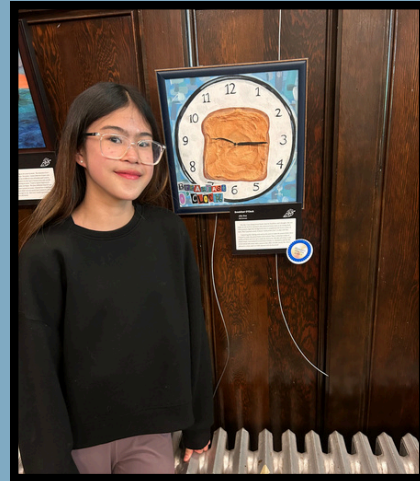

McGowan Spring Production 2026- "Nifty Fifties"

This year's Spring Production was a hit as our gym was full of family and friends here supporting the cast and crew of this year's musical comedy. Both nights were a success and we were very proud of all our students involved in making this year's production a success. Special thanks Ms. Baerg and all of the teachers leading their students in their music and drama.

Young Artists Conference 2026

Our young artists are shining! On April 29, SD73 proudly celebrated the Grand Opening of the Young Artists Gallery with a wonderful reception for families and friends, showcasing the incredible creativity and talent of students across the district. The excitement continues on May 6, when over 125 SD73 students will attend the Young Artists Conference, where they'll have the unique opportunity to learn and create alongside professional artists from our community. We are especially proud of our McGowan students selected to attend this year's conference: Dahlia K, Allie D, Maya S, and Jackson B. A very special congratulations goes to Allie D, whose artwork has been chosen to be professionally framed and displayed at the School Board Office for the upcoming school year—an outstanding achievement!

Grade 1 & 2 Career Carasousel

On April 20, students in Mrs. McCaugherty, Mrs. Carrigan, and Mrs. Pawliuk's classes participated in a Career Carousel as part of the British Columbia Social Studies curriculum. A Career Carousel, also known as a gallery walk or station rotation, allows students to move between stations to explore different occupations through displays, tools, and guest speakers.

Connected to "The Local Community" strand, this experience helped students identify the services and characteristics of their neighbourhood and learn how workers such as doctors, firefighters, and farmers help meet people's basic needs, including food, safety, and health.

A special thank you to all of the parents who volunteered their time to share their knowledge and experiences with our students!

COUNSELLING CORNER

Spring is the season of new beginnings... animals awaken, baby animals are born, plants and trees begin to grow and bloom, more sun and warmer weather. The earth seems to come to life again.

There are times our children and youth need new beginnings, a fresh start, new growth in a different direction. Unconditional love, support and gentle guidance, forgiveness and encouragement provide the stability and nourishment they need to flourish and grow as individuals and in their relationships.

It's our job to help them.
