# Principal's Message to the Graduates of 2026

We are honored to be together on the traditional unceded territory of the Secwepemc Nation, specifically the land of the Tk'emlups te Secwepemc People, to celebrate Brocklehurst Secondary's graduating class of 2026.

Graduation is such a special milestone. It's more than just a ceremony; it's a testament to years of hard work, perseverance, and dedication. It is also a significant stepping stone into adulthood. Each of you has set your own goals and dreams, and each of you is ready to carve out your unique paths. As you step into this new phase, I'd like to offer you a few thoughts:

- **Embrace Lifelong Learning:** The world around us is always changing. Please continue to be curious. The learning doesn't stop today; in many ways, it's just beginning.
- **Lead with Your Values:** Remember the courage, compassion, and curiosity you've shown here at Brock. These values will be your compass as you navigate both challenges and opportunities.
- **Build Strong Connections:** Cherish the relationships you've formed here and continue building new ones. Your community, your mentors, and your family and friends will be invaluable sources of support and inspiration throughout your lives.
- **Believe in Yourselves:** There will undoubtedly be setbacks along the way, but your resilience will carry you through. Trust your instincts, believe in your abilities, and never underestimate your own potential.
- **Remember Your Roots:** No matter where your journey takes you, always remember the school community you helped shape - you will forever be part of our school traditions and history.

Congratulations, Brock graduates! It is truly exciting to celebrate your accomplishments as Brock's Class of 2026!
