

June 19th 2026

Dear BEST Families,

Today we recognized National Indigenous Peoples Day. Classes gathered together to honour this day with land acknowledgements and song. Each class then participated in a variety of classroom activities related to Indigenous teachings.

Please submit overdue school fee and field trip payments to the office as soon as possible.

A heartfelt thank you and “shout out” to our school PAC. We appreciate all the work that you have done this year. Our PAC parents work endlessly to support our school community and vision.
