Welcome Back from the B.E.S.T PAC!

Dear B.E.S.T. Families,

Welcome back to a brand-new school year! We hope you had a fun, relaxing summer with your families and are ready for another great year at B.E.S.T.

The Bert Edwards Science and Technology Parent Advisory Council (B.E.S.T. PAC) is excited to kick off the 2026–2027 school year with you and your children!

And what better way to start the year than with a **BACK TO SCHOOL DANCE!**

Join us on **Friday, September 18** for an evening of music, dancing, dinner, snacks, and fun with your B.E.S.T. community! It's a great opportunity for families to reconnect after the summer, meet new families, and kick off the school year together.

We have a busy and exciting year ahead, with many events, activities, and fundraisers already in the works. These initiatives not only bring our school community together but also raise important funds to support programs, activities, and resources that benefit all of our students.

Be sure to stay connected through the school newsletter, weekly emails, and our **Facebook page (Bert Edwards Page for Parents (B.E.S.T))**, where we'll share information about upcoming events, volunteer opportunities, fundraisers, and other PAC updates.

There are lots of ways to get involved! Whether you volunteer at an event, attend a PAC meeting, help behind the scenes, or simply come out to support our activities, every bit of participation makes a difference. You don't have to attend every meeting or volunteer at every event—any time you can give is appreciated!

Thank you, as always, for your continued support of B.E.S.T. PAC. We're looking forward to another fun, successful, and awesome year with our amazing school community!

Cheers,

Kim Tabata
B.E.S.T. PAC President/Chair

Check out our upcoming events/fundraisers!

Come out and meet our PAC Executive committee and all of our amazing PAC volunteers, hear what we have planned for the year and learn more about what the B.E.S.T PAC is all about! If you can only make one meeting this year, make it this one!
