To Whom It May Concern:

RE: Kamloops Blazers Scholarship 2025

As in years previous, the Kamloops Blazers Scholarship and Education Society will award each secondary school in the Kamloops and surrounding area with one scholarship in the amount of \$1000.00 for academics and \$1000.00 for the trades program.

We ask that your school submit all applications to the Kamloops Blazers Scholarship and Education Society and we will select a recipient based on the following criteria:

- demonstrates community/school involvement
- athletic participation
- reasonable academic standing

The recipient will have 24 months in which to present the Kamloops Blazers with proof of registration at a post-secondary institution. At that time, we will release the cheque to them. All information regarding collection of the scholarship will be included in the letter presented to the recipient.

We ask that schools present the scholarship on our behalf. A letter to be presented to the recipient will be sent to the school once we have selected a recipient.

Your help with this is much appreciated. Please let me know if you have any questions or concerns.

Sincerely,

Trudy Hicks

President

Kamloops Blazers Scholarship & Education Society

BLAZERS KAMLOOPS BLAZERS EDUCATION & SCHOLARSHIP SOCIETY AWARD

The Kamloops Blazers Education & Scholarship Society invite applications from graduating students who intend to pursue a post secondary education. This award is available to students who are involved in community/ school activities and maintain a minimum C+.

Each secondary school in SD#73 will receive two awards of \$1000. One award is for academic studies and the other is for students entering the trades program. The Blazers' are the host organization for the Kamloops Blazers Education & Scholarship Society which raises the funds for the awards at all their home games. The Society donates the funds which support these awards.

Applicants must provide:

1. Community/ school involvement
2. Athletic participation
3. Reasonable academic standing C+ minimum
4. Applicant must be going on to a post secondary education (trades, technical or academic)
5. Applicant must complete the application form attached
6. Provide a personal essay
7. Applicant must provide two letters of reference
8. Provide a copy of transcript

Date for Submission: Applications must be received by April 30 (*late applications will not be accepted*)
