## Taking care of our house...

- Garbage in our halls and on our campus
- Targeted vandalism
- We are all in this together and we all need to do better :)

# V.I.K.E.S. Digital Device Guidelines

## V

### ALUE LEARNING

Use devices only when your teacher directs you for class activity. Focus on your studies by keeping devices off and put away unless they're part of the lesson.

## I

### NDIVIDUALIZED PLANS

Is it in your **Individualized Education Plan** (or ELL Annual Instruction Plan) and it is being used for an educational or learning purpose? Talk to your teacher then you're good to go!

## K

### EEP DEVICES SAFE

**You're responsible** if your device gets lost or broken. You need to store your device securely because the school isn't responsible for the phone if you choose not to secure it appropriately.

## E

### NGAGE RESPECTFULLY

By silencing your devices and keeping it out of sight during instructional time to help everyone focus. This includes **hallways, washrooms, and any other space** on school grounds.

## S

### TAY FOCUSED

We value a distraction-free environment (i.e. classroom, hallways , etc) to help everyone learn better. Keep devices put away to help you and your classmates stay focused during instructional time.

**Remember:** Our goal is to have a safe and caring school where everyone can learn without distractions. By embracing the **VIKES** guidelines, we become responsible digital citizens and make our school a better place!

# WITH GREAT POWER COMES GREAT RESPONSIBILITY
