

SABRE PRIDE DAILY

2026

Good morning Sa-Hali!
Today is April 16th with a block rotation of C-D-A-B

INFORMATION

It was freezing cold on the side lines, but red hot on the pitch, as the Girls Rugby team won three for three yesterday. Congratulations to Lily Purnell for being our magical unicorn, and Kristina and Kari Campbell who were recognized for having their best games ever! Special coach shout out for the team try in our second game; phase play was off the charts, and all hands touched the ball for those 7 points!

Attention astronomy lovers! This is a reminder that if you intend to enter the astronomy and astrophysics content, the qualifying round closes April 17th. If you need support with your submission, see Ms. Morran in portable 5 **tomorrow** at lunch.

Attention Sa-Hali!! New this spring: There will be weekly smudging that occurs every Monday and Friday at 8:20 AM by the picnic tables on the west side of the building. All staff and students are invited to participate. If you have questions, please see Julia in the Gathering Place.

LOST & FOUND: Please check out the lost and found items laid out in the B Hallway and claim any missing items. These items will be out for a LIMITED TIME ONLY after which time, they will be gathered up and taken to donations.
