

Fashion Design and Textiles 12

Learning Outcomes: The activities in this course are based on the core competencies and curricular competencies as provided by the Ministry of Education of BC. The purpose of this course is to build on previous knowledge of fashion, design, and textiles. Don't worry if this is all new to you! Built into the course are opportunities for all levels of learners.

Resources: Most resources can be found at home. You should have access to a ruler, paper (blank, lined, and graph), coloured pencils or markers, and a way to scan or take photos of your work for submission. Some assignments will require supplies for projects (ie sewing supplies); if you do not have access to supplies, please contact your teacher as supply kits may be available to mail out. Students will need good access to the Internet and will be required to use online tools.

Communication: Assignments are submitted directly through your course. Constant communication with your teacher is key to success in a DL course. Message your teacher for help whenever necessary.

Goal Setting: This course is self-paced and self-directed. Students should plan on working 5-6 hours a week on this course. It is highly recommended that the student creates a calendar of monthly, weekly and even daily goals - make use of the Pacing and Progress tool built into the course to help you. Contact your teacher if help is needed doing this.

Assignments: Upload completed assignments to the appropriate assignment dropbox in pdf format. If you cannot submit in pdf format, please contact your teacher for help converting your file to pdf. Please ensure that your work is neat and organized.
