Parent/Guardian - Statement of Readiness

Parent/Guardian Name: _____ Date: _____

The applicant has indicated an interest in enrolling in the Health Sciences Academy at Brocklehurst Secondary School. Keeping in mind that they would be studying in an adult learning environment in which they are expected to be self-motivated, self-directed, and not reliant on others to assist in the organization of their learning activities, we ask you to comment on the following:

1. Why do you think your child should participate in the Health Sciences Academy?

_____

_____

_____

2. Please comment on your child's suitability for a program that requires consistent attendance, effort, and ability to follow instructions.

_____

_____

_____

_____

I acknowledge my child:

Parent initials: ☐	Will attend Brocklehurst Secondary School in semester one (September – January).
Parent initials: ☐	Can participate in extra-curricular activities at home school outside of classroom hours.
Parent initials: ☐	Will pay the program fee of $400 at time application is submitted (see page 2 of application).
Parent initials: ☐	Will complete 30 hours of work experience offsite.

Health Sciences Academy Information

The Health Sciences Academy will allow students to explore and experience a range of in-demand, public sector health care occupations. Through this exploration, students will have the opportunity to connect their interests and passions to numerous health career experiences with an emphasis on hands-on learning.

The structure of the Health Science Academy will include four 120 hour courses within one semester, under the supervision of a certified teacher. Students enrolled in the district academy will attend the academy for the entire day each day of the semester. Courses that will be taught within the District Health Sciences Academy will include: Health Career Sampler, Anatomy and Physiology, Contemporary Issues in Health Care 12, and Career Life Connections 12. Emphasis will be placed on hands-on learning through complex case management simulation and work experience. Students will work in teams within the classroom taking on the roles of a variety of health care professionals as they work to support a care plan for a simulated patient. Students will expand upon their knowledge of health care professions by completing 30 hours of work experience in one or more health care provider settings. Career Life Connections 12 will provide for the creation of a Capstone demonstration of learning in a health sciences post-secondary transition plan.

Strongly Recommended **Courses to Complete Prior to Academy Start:**

- Life Sciences 11
- Chemistry 11

Who Attends: Gr 11 and 12 students

Date: Semester 1, September to January

Fee: $400 (if paying by cheque, please make payable to “SD73”)

Location: Brocklehurst Secondary School

Student will be notified of acceptance by mid-March.
