CRIMINAL RECORD CHECKS- 2026-2027

ALL PARENTS/GRANDPARENTS/ADULTS who are considering going on a field trip, coaching, driving as volunteers, or are coming into support with class special events must have a CRIMINAL RECORD CHECK. This is of no cost to the adult but is site-specific for our school. The School District requires a new check completed every 3 years and it will remain on file for staff to check when they expire. Year-End Award Assembly

Our year-end assembly will be held on June 25th, starting at 10:30 am. This year, we will recognize our Grade 7s at this assembly as they prepare to move on to high school. They will participate in the traditional walk down the aisle with their little buddy, receive a moving-on certificate, and participate in our Grade 7 awards. Also, we will recognize all students for their efforts in various extracurricular activities, as well as other adults who have contributed to making this year a success. Since we are moving to a single assembly this year, we are limiting seating to immediate family only (Parents and older siblings). Thanks in advance for your cooperation in this matter.

Bikes, Scooters, and Other Fun Things:

Many of our students get to and from school using wheeled transportation. A reminder that students are expected to use and store their bikes and scooters appropriately. For safety reasons, students are reminded that these items are not to be used on the school grounds between 8:00 am and 4:00 pm and should be walked on and off the property. Students should be mindful of community members and pets when traveling on surrounding roadways and trails.

Electric kick scooters

The RCMP has asked us to share some information with families regarding the implementation of the pilot project with the City of Kamloops and the Ministry of Transportation on electric kick scooters. Please be sure to read the rules before purchasing. It is illegal for a person under 16 to operate an electric kick scooter and for a parent or guardian to permit it. Doing so could result in a ticket and fine from police. You can find more information on the rules [here](#).

Track and Field

Congratulations to all students who participated in our Zone track meet on May 25th. Approximately 88 students qualified to attend the Zone meet, where many placed in the top 5. We sent 36 athletes to the District track meet on May 29th with some students placing in the top three. Fantastic job, everyone!

Flag Football

Great job this season by our Grade 6/7 students who participated in flag football season. The team posted a 4-1 record and is set to participate in the District Jamboree on June 3rd. Thanks to Mr. Orr for coaching this season and helping students refine their football skills.

Weather Reminder

With the return of warm weather returning, students are encouraged to bring hats, sunscreen, and sunglasses to protect themselves. It is also important to be mindful of how your child(ren) dresses, and please be respectful of our learning environment.

Library Book Returns

As we are nearing the end of the year, it's a good time to clear up any outstanding library books. All library books need to be returned to the school by June 19th please.

Jerseys

Did your child participate in any events that required a jersey this year? If so, can you please double-check that you don't still have any jerseys around home? (Flag football players that are participating in the Jamboree this week need to return them by Friday)

Lost and Found

Parents, please encourage your child to check the lost and found. All items not claimed by June 25th will be donated.
