Lockdown Drill, Tuesday, March 10

As part of our ongoing commitment to student safety, we practice emergency procedures such as fire drills and lockdown drills several times throughout the school year. These drills help ensure that students and staff know what to do in the event of an emergency.

We had originally planned to hold a lockdown drill earlier; however, in light of the recent tragic incident in Tumbler Ridge, we made the decision to postpone the drill so that our community had time to process and support one another. The lockdown drill is now scheduled for Tuesday, March 10.

Prior to the drill, staff will take time to review procedures with students in a calm and age-appropriate way. Teachers will also check in with students to see how they are feeling and provide support from a social-emotional perspective.

The safety and well-being of your child is our highest priority, and we approach these practices with great care and responsibility. We will send an additional reminder to families on Monday, March 9, so that everyone is aware that this will be a practice drill. Thank you for your partnership in helping us keep our school community safe. If you have any questions or feel your child may benefit from additional support, please do not hesitate to reach out to the school.

SD73 Budget Consultation

Please take the opportunity to join in the conversation around the upcoming SD73 Budget. Information sessions will take place on March 11 and April 20. [This communication](#) was recently sent out via email. Thank you for engaging in the conversation. Your opinion is important and we sincerely appreciate your time.

From the Main Office

Please use the automated system/app from Safe Arrival (see below for more information) to mark students late or absent in the morning. Cut off is around 9:00 am when the call out is usually sent.

Breakfast Program

The **Free** Breakfast Program has started. For those new to BSS, every weekday from 8:00 am – 8:25 am all students can enjoy a free breakfast.

Cafeteria

The cafeteria will be open on Thursday, September 4. Cash is accepted or you may purchase your child(ren) lunch cards through the [SchoolCash](#) Online system.

Lost and Found Items

If students have misplaced clothing or personal items, they will be placed on the table at the entrance to the school where students and families can collect the items. If you happen to be in the school, please have a look. Unfortunately, we do not have space to store these items for long periods of time. We will periodically be packaging unclaimed items and donating them to charity.

Ministry of Education 2025/2026 Student Learning Survey

The Provincial Student Learning Survey collects feedback from parents, teachers, and students on topics like school environment, safety, and achievement. This helps schools plan and gives a broader district and provincial perspective.

In early 2026, students in grades 7, 10, 11, and 12, along with their parents/guardians and school staff, will take the survey. Participation is encouraged, as the results help highlight strengths and areas for improvement.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey/access.htm Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name (Barriere Elementary-Secondary).

The e-survey site will be open until May 1, 2026.

If you have any questions, please contact the school at (250) 672-9943.

BSS Personal Device Policy

Please speak with your child prior to them coming on Tuesday about the [BSS Digital Device Usage Policy](#). While the official language is below, what it means is that personal devices, such as cell phones are not to be used during class time. Phones must be stored in their lockers during class time.

At Barriere Secondary School we believe that the foundations of a safe, caring, and welcoming school environment are fostered and maintained through a focus on inclusivity and equity-focused education implemented and supported through a progressive

FEES and SchoolCash

School fees and athletic fees are now posted and can be paid through Schoolcash. If you are looking to stop by the school and pay fees using cash, exact change would be appreciated.

Starting September 2025 individual student fees (enhancement fees for field trips and athletics for example) will include a processing fee for all payment transactions using online payment options. This processing fee, which was approved by the Board after the budget consultation process last spring, represents actual costs the Board incurs for using online fee payment services. Cash and cheque payments will not incur this processing fee. We recognize that fee increases can be challenging for families. School District 73 is committed to ensuring that no student is excluded from an educational program or activity or extracurricular activity because of financial need as outlined in the District's Administrative Procedure 506: Student Financial Assistance.

Barriere Secondary School - Schedule of School Fees 2025-2026

*School Fee invoices are distributed to students
September 2025 for Semester 1 and February 2026 for Semester 2*

Please note that paying online has a processing fee (on average 5%) incorporated in the cost to be paid online, which was approved by the Board after the budget consultation process last spring. These represent true transaction fees charged by the District's processing platform.

Payments made to the school by cash or cheque should be submitted at the lower amount specified below.
Kindly ensure payments are made in the exact amount, as no change can be provided.
