North Thompson Communities Foundation Bursary: Barriere and Clearwater

The North Thompson Communities Foundation is pleased to be able to now offer two (2) \$1000 bursaries, one for Barriere and one for Clearwater, to a graduating student starting in 2024.

Criteria:

1. The applicant must be graduating and moving on to post secondary education at a recognized institution in the year following graduation.
2. Two (2) letters of reference are requested.
3. All parts of the application must be fully completed, especially the financial disclosure section.
Aside from the household income we wish an additional question that asks "the total amount of funds available for the applicant's post secondary education"
4. Bursaries will be awarded following proof of enrollment and fees being paid

Students are advised to complete the comments section to assist the Grant Committee in making their decision

Applications will not be considered if the Financial Disclosure portion is not fully completed.

Thank you
