

RAFT RIVER NEWS

REMINDERS

Learning Update

Please note that the first learning update will be published to the MyEd parent portal on Friday December 12th. Please note that we only send a paper copy for the final term.

Winter Break

Dec. 19th is the last day before winter break. Classes will resume on Monday January 5th.

Highlights

Christmas Concert

Save the date! Our Christmas concert will take place on **Thursday December 18th**. This year, we have a theme: *Christmas at the movies!* Tickets will be sent home with the youngest child.

🎄 **Christmas Concert** 🎄

Information

Christmas Concert Tickets

Blue Ticket — Daytime Performance

1:00 PM (Doors open 12:45 PM)

Red Ticket — Evening Performance

6:00 PM (Doors open 5:40 PM)

We look forward to celebrating the season with you!

Volleyball Season

Our Raft River volleyball season was a huge success this year, with an incredible 42 Grade 6 and 7 students participating across our teams. Throughout the season, players built their skills, learned the fundamentals of Triple Ball, and grew into confident, supportive teammates. Each team had exciting opportunities to host games here at Raft River, travel to Barriere, and compete in Kamloops. We are so proud of the effort, sportsmanship, and growth shown by all of our athletes. It was a fun and memorable season, and we can't wait to see what they bring to the court next year!

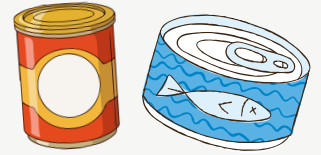

Eco Club

Mrs. Shook has started up Eco Club again this year! The club meets on Mondays and helps take care of our school community in many ways. One of the first initiatives will be to visit classrooms to reteach how we separate recycling and garbage properly in collaboration with the Leadership Team. Thanks to Mrs. Shook, Ms. Harvey, Eco Club and Leadership students for taking this on!

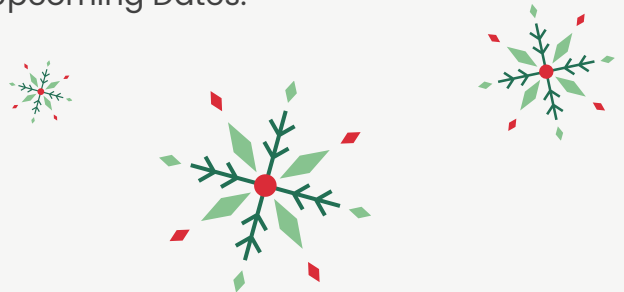

Food Drive

Our annual food drive will run from December 2nd - December 19th. Donations will be collected in each classroom and leadership students will assist with sorting and counting donations.

Festive Fridays in December

This December, our leadership students have planned a series of fun and festive spirit days for the whole school to enjoy! Each Friday will feature a different theme and activity to help us celebrate the season together! Spirit days are listed in Upcoming Dates.

Upcoming Dates

- Dec. 1 - Non-Instructional Day (school not in session)
- Dec. 2-Dec. 19 - Food Drive
- Dec. 5 - **Christmas Hair/Hat Day**
- Dec. 12 - Pizza orders due, Learning Update published, **Ugly (Holiday) Sweater Day**
- Dec. 18 - Christmas concert (1 pm, 6 pm)
- Dec. 19 - Pizza lunch, **PJ Day**, Ms. Scrivner's birthday!

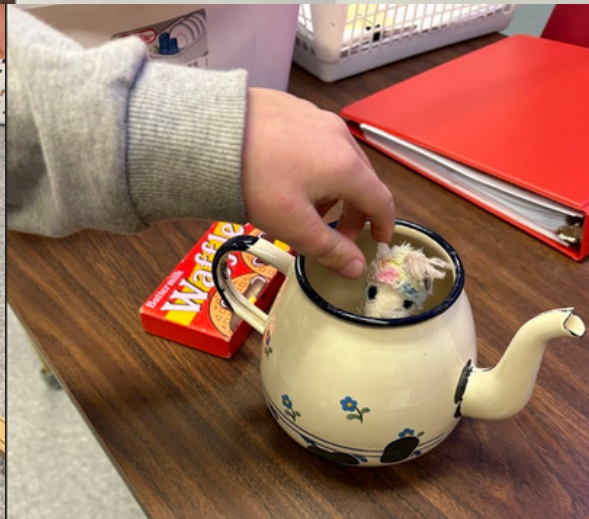

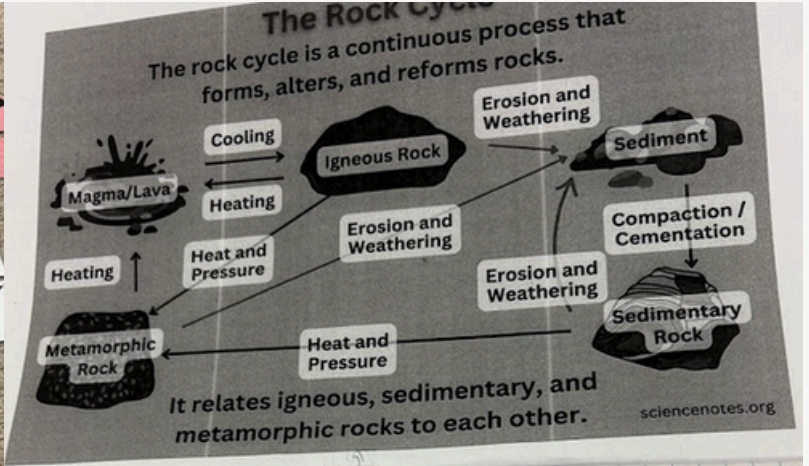

KNOW WONDER LEARN

They need fresh air to live.

Is it a decomposer? Algae + fungus.

Where do they live?

Igneous rocks

- Extrusive
→ formed from Magma cooling on the outside
- Intrusive
→ formed from magma cooling slowly beneath Earth's surface

Sedimentary rocks
→ formed from sediment
→ sediment is little pieces that break off of rocks

mental well being.
