Minister of Education and Child Care
Honourable Lisa Beare
PO Box 9045, STN PROV GOVT
Victoria, B.C. V8W 9E2

via email: ECC.Minister@gov.bc.ca

Dear Honourable Minister Lisa Beare:

On behalf of the Kamloops-Thompson Board of Education, I am honoured to congratulate you on your new role as the Minister of Education and Child Care.

We have had a close working relationship with Minister Rachna Singh and continue to have a very positive working relationship with operational staff within the Ministry of Education and Child Care.

To provide you with a sense of who we are – the Kamloops-Thompson School District is the size of Vancouver Island (27,000 km), the 13th largest rural-urban district located in the unceded territory of Secwépemc people, and serves over 16,000 students in 12 urban and rural communities.

Our Board is focused on increasing equitable life chances for all students, especially for Indigenous students. This past year, we reached the highest six-year graduation rates in the history of our district and exceeded the province for increasing Indigenous student graduate rates (+5%).

Kamloops is the fifth fastest growing municipality provincially. We recently reopened two schools, reconfigured 20% of our district, and we are building a new school, Sníne Elementary, in the southwest of Kamloops. We have been growing at a medium-sized elementary school annually.

In our district, the southwest sector of Kamloops is especially overly full (116% to 158% capacity utilization) and our secondary school for that area, Sa-Hali Secondary School, has eight portables and is at 128% capacity utilization currently, projected to be at 170% by 2030. Our Board is committed to securing a new secondary school in Aberdeen to help address current and projected enrollment pressures. We co-presented with the City of Kamloops at the Union of BC Municipalities (UBCM) conference in September 2024 to share that we greatly need support for a new secondary school in Aberdeen.

Our Board has also advocated strenuously for a new elementary school in the growing Kamloops neighbourhood of Batchelor Heights, where we recently engaged in a catchment change within three elementary schools because one had reached 181% capacity utilization. Even after reconfiguration, the closest elementary school, Westmount Elementary, is at a capacity utilization of 122%.

With your previous experience as Minister of Post-Secondary Education and Future Skills and as a school board trustee for Maple Ridge, we know that you have been a strong advocate for education in our province. We are eager to work together to advocate for the needs of students in our district.

We look forward to meeting you and connecting with you about your priorities and Mandate letter as you gain momentum in your new role.

With gratitude,

A handwritten signature in black ink, appearing to read "Heather Grieve". The signature is fluid and cursive, with a prominent initial "H" and a long, sweeping tail.

Heather Grieve, Board Chair
School District No.73 (Kamloops-Thompson) Board of Education
