Lyndsay Grikinis has taken on setting this sale up, it was all online this year. Next year if we decide to do this again. We will send papers home with students to fill out and make sales with all the purchasers information and the student selling. the way it works online is each student has to be entered into the program with mitchelles soup co. so on arrival to the school it can be distributed to the selling student to fulfill the orders.

*Bit of a scheduling conflict as there was a Barnhartvale dance the same night and were not seeing as much interest as thought to be. We had 32 kids attend, 10 game changers attended to help, it was alot of fun both hosts enjoyed the evening and the kids had a great time. If theres a next time we will not have Uncle Chris the Clown, th ekids enjoyed free play in the gym and the activities provided more so than the clown. We did not break even on this evening with the cost of the clown.

-Spring Dance- Thursday, April 30th. 6-8pm. Grade 7 parents will have a concession for their fundraisinf. We are keeping decorating to a minimum but are hoping to have some more fun lights around the gym.
