5. DPAC Update: Parents reached out about getting a new playground, Dallas Elementary is first in line, we May hear news in spring about a possible build during the summer. there is no word as of now as to when or if that might happen.

Dallas is also #1 on the list for a whole school replacement, a new playground may be planned at that time as well.

Nothing is confirmed.

6. Fundraising:

- **White Elephant Sale Update: Total raised-** \$1879.40
- **Purdy's Update:** Our \$2000 goal was reached with a total coming soon.
- **Movie Night: Total raised-**152 tickets sold, total with sale of snacks \$679.40 was a success, with some restructure and a few adjustments made to concession , we will have a follow up movie night February 6th.

- **Legacy Fund:** voted for the legacy fund application to be filled out.1st Amber Holbrook 2nd Charles Kim. IF accepted it will match up to \$10000 any equipment for the school, PAC voted to match contribute the same amount in an effort to get the school new chrome books. May minutes will have an

update on this.

- **Rest of The Year:** fundraisers for the rest of the year are to be determined, we have a few ideas one being Krispy Kreme Donuts, A silent Auction & a spring clean-up sale similar to white elephant but aim towards mothers/ Father's Day.

Winter Concert: Winter concert took place on Dec. 19th- for our K - 3/4.

Any feedback on the performance (date, times or format?)

Student of the month December's assembly took place on Monday Jan 6th. 16

Deserving winners were recognized for their contribution of being a responsible student. January's focus is Fairness and equity.

Budget: Last year there was an agreement for the PAC to donate 8000.00 dollars towards the library (PAC then said that because the basketball motors were half of what was budgeted for, they would donate the rest to the library. The total for the library comes to 14K with the PAC paying 4K already (So whatever the PAC wants to pay beyond the 8K would be fantastic)

Popcorn: Popcorn machine has arrived and it's ready to go (hoping to hold popcorn sales every Friday) We can work with the Grad committee to coordinate the days. (as discussed previously- Half of machine and start up supplies come to \$300.00 for the PAC's share).
