

Read&Write for Google Chrome™

Quick Reference Guide 12.17

Docs, Slides and Web

Tool	Symbol	Where it works	How it works
Text to Speech		Google Docs Google Slides Web	Reads text aloud with dual color highlighting and natural-sounding voices. Highlight or place your cursor in front of some text, and click the Play button.
Hover Speech		Web	Reads text on websites in Chrome without highlighting, simply hover over the text you'd like to read.
Talking Dictionary		Google Docs Google Slides Web	Provides definitions to improve comprehension and writing. Definitions can even be read aloud. Highlight a word and click the icon. Click the Play button next to each definition to have it read aloud.
Picture Dictionary		Google Docs Google Slides Web	Displays images from Widgit® Symbols to help support fluency and understanding.
Prediction		Google Docs Google Slides Web	Provides word suggestions as you type. Develops writing skills and helps construct error-free sentences more easily. Hover over word suggestions to hear aloud. Click on a word or click Ctrl + the number next to the word you'd like to insert.
Web Search		Google Docs Google Slides Web	Helps with research by doing a Google search for relevant information on a topic. Highlight a word or phrase and click the icon, and a Google search will open in a new tab.
Translator		Google Docs Google Slides Web	Allows single words to be translated into Spanish, French or Portuguese and spoken in that language. Translation language can be selected in Settings menu.
Highlights & Erase Highlights		Google Docs Google Slides Web	Allows users to highlight and color code sections of text on a page, to facilitate summarizing, categorizing and higher order skills. Erase highlights from a page when you are done with them, by selecting highlights and clicking the icon.

Collect Highlights		Google Docs Web	Collects your highlights into a new Google Doc. Click on icon and select which colors to collect, as well as how to sort them.
Vocabulary List Builder		Google Docs Web	Builds vocabulary lists in a Google Doc, including selected words, dictionary definitions, images from Widgit Symbols, and an editable notes column. Use colored Highlights to select words, then click icon to create vocabulary list in new Google Doc.
Audio Maker		Google Docs Google Slides Web	Converts selected text into an audio file, e.g. MP3, which will be automatically downloaded and can then be saved or shared in Google Drive.
Screenshot Reader		Google Docs Google Slides Web	Converts inaccessible text to accessible text through OCR. Click the icon and then drag your mouse to draw a rectangle around any inaccessible text, to OCR it on demand.
Voice Notes		Google Docs	Records a short audio file (one minute or less) of your voice, and inserts it into a Google Doc as a comment. Highlight text where you'd like to place your comment, then click the icon and use the microphone button to record. Use additional options to stop recording, replay or insert.
Talk&Type		Google Docs Web	Turns the spoken word into text by dictating into a microphone.
Simplify		Web	Removes clutter from web pages and places the simplified text into a new tab. Use the + and - icons to change the amount of text displayed. Contrast controls are also available.
Screen Masking		Google Docs Google Slides Web	Tints your screen and provides a spotlight that follows your mouse pointer, to help improve focus.
Practice Reading Aloud		Google Docs Google Slides Web	Allows students to practice and record themselves reading selected text, use support tools, listen to their recording, and send to their teacher for feedback.
Dropdown Menu		Google Docs Google Slides Web	Access options to customize speech, prediction, language and toolbar. Also includes links to get support, leave feedback, and more.

PDFs

Tool	Symbol	How it works
