Your Sitting Fee

The sitting fee for your school is $45.00.

This is for your 12 previews, a 5x7 photo from your graduation ceremony in the spring, an 8x10 diploma folder with school logo, a certificate, and an 8x10 mini composite.

We accept debit, cash, cheques, Visa and MasterCard. Any students who do not bring their sitting fee will have their previews held until payment is made.

Your previews will be delivered to the school approximately 2 weeks after all students have been photographed. We will collect orders one week after preview delivery.

Online Ordering for Westsyde

We will be offering Online Ordering for Grads again this year at Westsyde.

The entire process for taking the graduation photos will remain the same.

Previews and an order form will be sent to each grad that has a photo sitting, they will arrive approximately 1 week after the last grad is photographed.

On the same approximate date, all grad photos will be uploaded to our platform for you to look at.

This adds another option to place your order.

You will also be able to login and choose your grad yearbook image, even if not placing an order.

At your Appointment

Be sure to arrive 10 minutes before for your appointment to sign in and complete the necessary paperwork.

Your Photo Session

You will have 12 photos taken, 10 formal gown photos and a couple of casuals (if you like).

You will start with the casual photos so be sure to arrive in your casual clothes first.

If you choose to bring in some props for your photos, be sure they are small enough to hold or display on out posing table. Snowboards, sports equipment, uniforms and musical instruments are some suggestions.

Even small pets are welcome. Be sure to check with the photographer the day before your photo session if you have any questions about prop selections if you are unsure.

After your casual photos you will put on a grad gown and have the graduation photos taken. Your sitting should take about 10 minutes.

How to Prepare for your Photo Session

Choose clothing that fits well and makes you feel confident. Opt for solid colors or subtle patterns that won't distract from your face.

Avoid overly bright colors or busy patterns that can create visual noise.

Wear a dress shirt and tie, blouse, or dress that complements the gown

Keep accessories simple and elegant.

Avoid anything that might overshadow the moment, such as large, distracting jewelry.

Make sure your hair is clean and styled the way you like.

If you're getting a haircut, do it a week or so before the session to allow it to settle.

Consider a hairstyle that works well with the graduation cap.

For makeup, aim for a natural look that enhances your features without being too heavy.

If you wear glasses, make sure they're clean and free of smudges.

Remember to shave for the clean look if that's what you like, we can always fix little nicks and cut.
Keep in mind we cannot remove 5 o'clock shadow.

Follow your regular skincare routine leading up to the session.

Exfoliate and moisturize to ensure your skin looks smooth and even.

Avoid trying new skincare products right before the shoot to prevent potential reactions.

We will be retouching all of your final prints, so don't be concerned with any blemishes that you have at your photo session.

Pack a small bag with touch-up items like hairbrush, makeup, and any accessories you might need.

Remember that these photos are a celebration of your hard work and achievements. Relax, enjoy the moment, and let your happiness shine through.

By following these tips, you'll be well-prepared to capture your graduation day in a way that reflects your joy and accomplishment.

Congratulations on your graduation!
