

ROTARY SECONDARY SCHOOL AWARD CRITERIA

2026

PURPOSE: This award will be given to a student planning to attend post-secondary education within the two years following graduation. It will be based on having met academic requirements needed to get into the post-secondary school of their choice and their contribution of service and leadership.

CRITERIA: It can be for any post-graduate education that is certified by the federal government or provincial government that has jurisdiction.

Students must be graduating in the year of application and be residents of the greater Sun Peaks area including Whitecroft, Heffley Lake, Heffley Creek and Heffley Louis Creek Road.

The amount of this award is \$1000 to be paid upon submission of the appropriate proof of registration at a post-secondary institution as outlined above.

Students will need to submit the attached form by midnight on May 15 of their graduation year to be considered.

Please submit application to: youth@rotaryclubofsunpeaks.com
