### **New/Tabled Items:**

- A reminder to all parents about the **PAC Hot Lunch Website**: it is different from other online shopping 'carts'. Unlike other shopping websites, (ie: Amazon) once you have clicked 'update order and proceed to payment' you have officially ordered that item and it will be ordered for your student, regardless of whether or not you pay for it at that time. PAC sends reminder emails throughout the year to remind parents to check their account for unpaid balances, and each account is expected to be paid in full by the end of each school year.
