

Welcome Back from the B.E.S.T PAC!

Dear Families,

Welcome back to a brand-new school year! We hope you had a fun and relaxing summer with your families. The Bert Edwards Science and Technology Parent Advisory Council (B.E.S.T PAC) is excited to start the year with you and your children.

We have a busy and exciting year ahead, with many events and fundraisers already in the works. These activities not only help bring our school community together but also raise important funds to support programs, activities, and resources that benefit all students.

Stay tuned for updates through newsletters, emails, and our social media page (Facebook- Bert Edwards Page for Parents (B.E.S.T), where we'll share details on upcoming events and ways you can get involved. Whether it's volunteering at a fundraiser, joining a PAC meeting, or simply coming out to support an event, your participation makes a big difference.

Thanks as always for your support. We're looking forward to another awesome year with you and your families.

Cheers,

Kim Tabata
