Parkcrest Elementary School Newsletter

Principal's Message

Welcome to the 2026-2027 school year! I hope you have had a summer filled with great memories. As we open the doors to a new school year, I would like to extend a warm welcome to all of our students, families, and staff. Whether you are returning to our school community or joining us for the first time, we are excited to welcome you and look forward to a wonderful year of learning, growth, and connection.

Please join me in welcoming the following staff members to Parkcrest. Mrs. Sierra Haw is joining our team as vice-principal. She comes to us from Aberdeen Elementary School and brings with her a wealth of experience in working with children with diverse needs. For teaching staff, we have Mr. Justin Hine in grade 7, Mr. Bryce Kicia in grade 6/7, Ms. Jamie Langton in grade 6/7, Ms. Mariclare Knapp in grade 4, Mrs. Maureen McMillan as Learning Assistance Resource Teacher, and Ms. Anna Ruoss in our Flex Room and Learning Assistance Resource Teacher. We are pleased to welcome Ms. Yazmeen Robinson who will be joining our Certified Educational Assistant team this year.

September is a time filled with new beginnings, fresh opportunities, and renewed energy. Our staff has been busy preparing classrooms and learning spaces for our students. We are committed to creating a positive and inclusive environment where students can thrive academically, socially, and emotionally.

Strong partnerships between home and school are an important part of student success. We value the support, trust, and collaboration of our families and look forward to working together throughout the year. By maintaining open communication and supporting one another, we can ensure that every child has the opportunity to reach their full potential.

Newsletters will be sent to parent emails electronically at the beginning of each month. They will also be posted on our school website. I will send out email updates in the middle of the month or when it is necessary to communicate information with you. If you need to contact me, you can reach me by phoning me at school or sending me an email at dsteptoe@sd73.bc.ca.

Over the next few days, you will be receiving paperwork (School Supply Fees, Verification Forms, etc.). Some will be from the office and some will be from classroom teachers. Thank you in advance for taking the time to get these back to us as soon as possible!

As we begin this new year together, we encourage students to embrace new challenges, build meaningful relationships, and make the most of the many opportunities that lie ahead. I look forward to a fantastic year ahead. Thank you for all your support from home!

~Mrs. Deanna Steptoe

Class Placements

Each spring, our teaching staff works collaboratively to begin the process of placing students into classrooms for the next school year. Many things need to be considered for each student including their academic needs, social skills, and learning styles. We also take into consideration peer dynamics and we must follow the classroom composition guidelines set out by the School District and Ministry of Education and Childcare. Parent input that was given to us in the spring was taken into consideration, but is not guaranteed.

Forming classes is a complex process and requires a lot of time and thought. This year, students will begin in last year's classes and then move into grade level groupings for a few days. This will allow students to get to know the other teachers at that grade level. We will work on the placement process for the first several days of school.

As we move into classes, your child may come home the first or second day upset about their class placement. We ask that you allow them at least a full week in their new class to become acquainted with their classmates, teachers, and school procedures. Oftentimes, concerns are alleviated once students get to know their new teachers and classmates. Elementary school is a great time to get to know other children. Thank you in advance for supporting with this process.

WHAT'S HAPPENING IN SEPTEMBER

National Day for Truth and Reconciliation

This year, we will be honouring and acknowledging Truth and Reconciliation during the week of September 28 - October 2. We will have Orange Shirt Day on Tuesday, September 29th. There will be no school on the National Day for Truth and Reconciliation (Wednesday, September 30th).

Medical Alert

Parents and guardians of students with potentially life-threatening health conditions or allergies are asked to sign the necessary forms at the school office. These forms must be updated every year. Please send any epipens to the school as soon as possible. Students should also carry one with them during recess, lunch, and on field trips.

School staff are not permitted to administer any medication to students without the School District paperwork that is completed and signed by the prescribing physician. If your child requires medication at school, please contact the office to pick up the paperwork or send back the completed forms that were sent home in the spring.

Cross Country Running

Cross country running will be starting up very soon. Students in grades 3 to 7 will be invited to participate. Please watch for more details

School Cash

Our school and district uses SchoolCash, an online payment system, as a convenient way for parents to pay fees such as school fees and field trips. For more information about it, you can visit the School District website [here](#).

Picture Day

*Mark your calendars,
picture day is coming!*

When: Thursday, September 17th.

*Make sure to send your child to school with
their smile.*

Fruit and Vegetable Program

We will be having the School Fruit and Vegetable/Milk program again this year. This program provides fruit/vegetables and milk for free for schools in B.C. Please consider this a reverse permission form. If you would like your child(ren) to not participate in this program or if your child has an allergy, please email your child's teacher.

Safety Information

Student Drop Off and Pick Up

Drop off and pick up times are very busy times at school. If possible, please encourage your child to walk, bike, or scooter to school on their own, with you, or with a group of friends. This will help to reduce the number of parent vehicles around the school. If you do drive your child to and from school, consider designating a meeting point off school grounds.

Please remember that the parking lot is reserved for staff. It is not to be used for drop off and pick up of students. Thank you for following this important rule as we barely have enough parking spaces for staff.

Visitors at School

If you are coming to the school during the school day, please check in at the office. We will be happy to give a message to your child or call them to down. While we welcome parent volunteers, we do not allow parents to go to classes during instructional times. Thank you for helping us to maintain the integrity of instructional time.

Safety - To and From School

Please spend time reviewing and practicing traffic safety rules with your child. Some examples that are good to reinforce are:

- walk on sidewalks/side of the road,
- look both ways before crossing the street,
- use the crosswalk when crossing the street,
- ride bikes on the right side of the road, etc.

Be aware of children going to and from school as you are driving during those busy times.

Bikes and Scooters

In order to ensure the safety of all students, families, and staff, it is important to walk scooters and bikes on school grounds. When coming to school, students are asked to dismount from their bikes or scooters and walk them to the designated bike parking area. We thank you in advance for having this conversation with your child. Teachers will reinforce this message at school and we will remind students on morning announcements. With everyone on the same page about scooter and bike safety on the school grounds, we can maintain a safe environment for everyone.

Before and After School

Our first bell rings at 8:25 to allow students to enter the building, put away their belongings, and get ready for the school day. The second bell rings at 8:30 which signals the start of the school day. There is no supervision outside prior to the 8:20 bell or after school. Students are asked to come at 8:20 and head home directly after school.

Parkcrest Information

Recess and Lunch Expectations

Recess and lunch are a time when students have a break from their learning and have a chance to get outside for fresh air, movement, and interaction time with their peers. It is expected that all students will go outside at recess and lunch. If they are too sick to go outside during break times, then they should not be at school. During the winter months or other extreme weather times, we will monitor the weather and may keep students indoors for recess and lunch breaks.

Personal Items at School

Please avoid sending toys to school as they often get lost and cause other problems.

Mabels Labels

Labeling all items that come to school helps us to ensure they get back to their owners when left around. Please label items such as coats and jackets, sweatshirts and hoodies, toques, hats, mittens and gloves, boots, shoes, backpacks, and more.

Our PAC has an ongoing fundraiser for Mabels Labels. You can order name labels here:

https://mabelslabels.ca/en_CA/fundraising/support/

Thank you for your support! 20% from every order comes back to the school! (Please select Parkcrest Kamloops, not Parkcrest Burnaby!)

School Fees

The school supply program is offered at Parkcrest as part of school fees. We highly recommend that parents use this program as it saves families time and money and provides consistency of supplies in the classroom. You will receive an email from School Cash in the coming days indicating that your child's school fees can be paid.

Scent Considerate Facility

Many students and adults are allergic to perfume, cologne, laundry detergent, shampoo, and other scented products. Please do not wear or use these types of scented products in this building. We share the air, so please go scent free.

School Goals

In alignment with the District Strategic Plan, we will be focusing on the following school goals:

- Goal 1: To improve K-7 student achievement in mathematics.
- Goal 2: Students will feel a sense of belonging and a positive connection with the adults and their peers.

More information about Our School Learning Plan or the District Strategic Plan can be found on the Parkcrest website.

VOLUNTEERS

Feeding Futures - Lunch Program

We are excited to launch a school food program that will help provide nutritious meals and snacks for our students. The program will be supported through a Feeding Futures grant and will be offered to students at a low to no cost.

To launch this program, we are looking for two to three dedicated people who are interested in helping coordinate and run the program. These volunteers will play an important role in planning menus, purchasing supplies, preparing meals, organizing food distribution, and ensuring safe food handling practices are followed.

We are seeking volunteers who:

- Have experience planning and preparing meals for groups.
- Are organized and reliable.
- Enjoy working collaboratively with staff and other volunteers.
- Have knowledge of safe food handling practices.
- Are passionate about supporting student well-being and nutrition.

This is a meaningful opportunity to make a positive impact on our school community and help ensure students have access to healthy food throughout the school day.

If you are interested in volunteering or would like more information about the role, please contact the school.

Noon Hour Supervisors

Are you looking for a way to spend time with children for one hour a day (or for several days)? If so, please consider applying to be a noon hour supervisor. Each year, we look for volunteers to help with noon hour supervision. Supervisors are required to complete a criminal record check prior to working with us. They are given a \$12/hour honourarium for their service to the school. Please contact the school office if you are interested in volunteering to be a noon hour supervisor.

Criminal Record Checks

Are you planning to volunteer at Parkcrest this year? Volunteering could be in the form of coaching, driving students for sports teams or field trips, helping on field trips or in the classroom, or supervising at lunch. All volunteers must complete a criminal record check. Criminal Record Checks are valid for 3 years and they are completed and sent directly to our school. If you plan to volunteer this year, please contact the office for the code to complete a criminal record check for Parkcrest Elementary School free of charge.

Volunteer Driver Forms

If you are interested in volunteering to drive for an activity (for example cross-country running), please come into the office to fill out a driver form. Volunteer driver forms need to be completed on a yearly basis. Please note that a valid driver's license is required to be shown to office staff as well as insurance papers indicating that you have more than \$1,000,000.00 in liability. You must also have a Criminal Record Check completed and on file prior to driving anyone else's child.

Personal Electronic Devices

Smart watches used for communicating are considered personal electronic devices and are not allowed during the school day.

Please note that students are not allowed to use their personal electronic devices at school. This includes texting or calling family members. If you need to contact your child at school during the school day, please contact the office to leave a message. We will make sure they get your message during one of the scheduled break times or right at the end of the school day.

PARKCREST STUDENTS SOAR

Our SOAR Behaviour Matrix helps to clarify expected behaviours in and around the school including going to and from school, attending any school function or field trip, and any other circumstances that may have an impact on the school environment. We use the language from the SOAR Matrix (Safety, Ownership, Awareness, and Respect) throughout the school to maintain consistency. See the full matrix below.

Notice to Parents and Students: Student Safety

Dear Parents and Students,

Student safety is a top priority in the Kamloops-Thompson School District. To keep students and staff safe, we have engaged in intensive safety training with our community partners—the RCMP, Secwépemc Child & Family Service, Lii Michif Otipemisiwak Family and Community Services, and the Ministry of Children and Family Development. As a result of our collective efforts, we have developed a district plan for responding to all situations where we believe students may be posing a threat to themselves or others.

District policy requires principals to activate a multidisciplinary “threat assessment” protocol whenever we have information that indicates students have made significant, high-level threats to harm themselves or others. Please review [Behavioural and Digital Threat Assessment](#) procedure on the school district website at sd73.bc.ca (under Administrative Procedures).

What is a threat?

A threat is an expression of intent to do harm or act out violently against someone or something. Threats may be verbal, written, drawn, posted on the Internet, or made by gesture. Threats must be taken seriously, investigated, and responded to.

Duty to report:

To keep school communities safe and caring, each of us—staff, parents, guardians, caregivers, students, and community members—must report all threat-related behaviours to the school principal.

What is a Site-Specific Threat Assessment Team?

The school has a site-specific threat assessment team that includes school administrators, counsellors, teachers, and a police officer.

The threat assessment process is designed to promote:

- the emotional and physical safety of students, staff, parents, the student making the threat, and others
- a full understanding of the context of the threat
- a greater understanding of the factors underlying the behaviours of the threat maker
- proactive development of an intervention plan that addresses the emotional and physical safety of the threat maker
- increased emotional and physical safety of all

A student threat assessment will be initiated for behaviours including, but not limited to:

- serious violence or violence with intent to harm or kill
- online threats to harm/kill others
- possession of weapons (including replicas)
- gang-related intimidation and violence
- verbal/written threats to harm/kill self or others (clear, direct, plausible)
- bomb threats (making and/or detonating explosive devices)
- fire starting
- sexual intimidation and violence

SCHOOL DISTRICT NO. 73 (Kamloops-Thompson)

1583 - 9th Avenue, Kamloops, BC V2C 3X7 | Tel: 250-374-0679 | Fax: 250-372-1183 | www.ed73.bc.ca

What parents and students need to know:

- any threat must be reported to the school principal
- investigations may involve a school or district counsellor, the police, and/or other community agencies
- investigations may involve locker or personal property searches
- interviews will be held with the threat maker and other students or adults who may have information about the threat
- parents of students who are directly involved with a threat will be notified and, depending on the circumstances, may attend the interview to provide support
- threatening behaviour may result in disciplinary action and/or change in school placement
- an intervention plan may be developed for the student making the threat and a support plan developed for any individual/s targeted by threats

Collection Notice

The District is subject to personal information privacy laws and will undertake the collection of this information in compliance with the requirements of such laws, including limiting collection of information that is relevant and necessary to address a risk or threat and by ensuring that information is collected from online open-source sites. The School District will not collect information as part of a threat assessment unless there is reason to believe that a risk exists. Information collected as part of a threat assessment may be provided to law enforcement authorities in appropriate circumstances.

Sincerely,

Mike St. John
Superintendent of Schools
